

U.S. – Africa Energy Initiative

Proceedings: Women in Energy Ministers' Conference Pan-African Energy Ministers' Conference Second African – U.S. Energy Ministers' Conference

**December 11-15, 2000
Durban, South Africa**

Adobe Acrobat Reader

In order to read the papers, you are required to install Adobe Acrobat v. 4.0 or above, which is free of charge. Acrobat is included on this CD-ROM for several operating systems, in the directory "Acrobat". If you have Acrobat Reader installed already it is not necessary to install it again. However, the version on the CD-ROM includes the ability to search the collection of files, so if a previously installed version of Acrobat Reader does not have searching enabled it is recommended to install the version on this CD-ROM. In order to determine whether your Acrobat Reader has search, start Acrobat Reader and look for an icon that looks like a set of binoculars on the toolbar. If it is there, searching is enabled. The version of Acrobat on the CD-ROM is in English. Other versions of Acrobat may be downloaded for free at the [Adobe Website](#).

The version on the CD-ROM is Acrobat Reader 4.5, but all documents work very well with Acrobat Reader 4.0. It is possible to read the papers by clicking on any of the links below, but for optimal results it is recommended to start Acrobat Reader and to open the files directly from the CD-ROM.

Searchable Electronic Proceedings

Picture Gallery

Contents of this CD-ROM

- **Start.pdf**
The file you are currently reading.

- **Proceedings**
Contains the PDF files with the proceedings as well as the picture gallery.

- **Pictures**
Contains the pictures from the conference in the picture gallery in JPG format.

- **Adobe**
Contains Adobe Acrobat 4.5 Reader with Search in English, for Windows 95/NT/2000, Linux and the Macintosh. For other languages or architectures, please download (for free) from the [Adobe Website](#).
